- 5) Order through DPH Region 3 officer per instructions below but supplies are limited and not guaranteed:

MA Department of Public Health (DPH) Requesting PPE

Where do I go to make a PPE request?

If you anticipate a supply shortage within the next 5 days and are unable to source the material(s) through your normal supply chain, then you may request PPE in the following manner:

If you are a medical facility, nursing home, assisted living facility, community health center, private/non-fire-based EMS, local public health group, or otherwise providing clinical care:

- Fill out and download the [PPE request form](#) and submit it via email to your Regional HMCC.
